

## Freedom of Information Request 2024/25

We are requesting information regarding your services for survivors of domestic violence and abuse. The request aims to **gain a full picture of all the domestic abuse services funded by your local authority** and what form this funding takes.

We have formatted this request as a table to make it clear what information we are asking for and have provided a list of definitions to support with completing the request.

This Freedom of Information request should be completed directly by the local authority and not referred to another organisation to complete.
